BUSINESS DEBIT CARD AGREEMENT

Terms and Conditions

Introduction
This Business Debit Card Agreement ("Agreement") contains contract terms and other important information relating to your Business Debit Card ("Card"). These terms govern the operation of this account unless varied or supplemented in writing by us. By applying for a Card, or by using a Card, you agree to be bound by this Agreement and accept its terms, rules, and conditions as amended from time to time. This Agreement also incorporates any other terms and conditions provided separately with your 1st Source Bank Agreement for Deposit Accounts as well as the terms of any disclosures you may have received. You should read this Agreement carefully and keep a copy for your records.

Applicable Law
This Agreement will be governed by the laws of the State of Indiana as well as applicable laws, regulations, rules, and other agreements governing your accounts. Normal banking customs and practices also apply.

Definitions
Unless inconsistent, words and phrases used in this document shall be construed so that the singular includes the plural and the plural includes the singular. The words "we," "our," and "us" refer to 1st Source Bank. The words "you" and "your" refer to the owner of the specific account for which Card transactions are permitted. The word "Cardholder" refers to any person authorized to use the Card.

Business Card Purpose
Providing our normal business standards are met, we agree to issue a Card to your authorized Cardholder(s). Each Cardholder’s access will be limited to the business accounts on which he or she has been properly designated according to the Resolution for Depository Authorization, or on which he or she is an authorized signer. You and any Cardholder agree that this Card is for use by business owners and employees. Use of the Card can be used only for business purpose MasterMoney™, point-of-sale (POS), and Automated Teller Machine (ATM) transactions, as well as to access InfoSource® and InfoSource Online. The Card may NOT be used for personal purposes. You acknowledge and understand that the Card shall NOT be treated as a consumer card under the provisions of state and federal law. You agree to limit the use of each Card to legitimate business purposes and to take all necessary steps to assure that each Card is used for no other purpose.

Account Requirement, Payment Responsibility, Transferability, Enforceability
The services described in this Agreement will be available to you only as long as you maintain a business checking account with us in good standing. You are liable for the payment of Card transactions authorized by you or your agent(s) or any Cardholder(s) or their agent(s). This account may not be transferred or assigned without our written consent.

If any terms of this Agreement cannot be legally enforced, it will be considered changed to the extent necessary to comply with applicable laws. If any part of this Agreement becomes unenforceable, it will not make any other part unenforceable.

How to Use the Business Card Security Procedure
The Card allows Cardholders to directly access the business checking account(s) specified in your Business Debit Card Application. We will issue a Card and personal identification number (PIN) to you for use with each Card. Each Cardholder will identify your business as well as the Cardholder(s). Each Cardholder must sign their Card before it may be used. As a security procedure, you agree to require both a Card and a PIN to be used together to obtain cash or to perform any other permitted transaction at designated ATMs.

As an additional security procedure, you agree to instruct each authorized Card holder to: (a) sign the Card promptly following receipt; (b) safely keep the Card and PIN separate and in the sole possession of the authorized user; (c) not disclose the PIN, record it on the Card or otherwise make it available to anyone else; (d) use the Card, PIN, and ATM or POS terminals only for business purposes, and only as instructed and authorized by us from time to time; (e) save all receipts (never throw them in the trash or on the ground) and verify each against your bank statement; (f) report all crimes immediately to the operator of the ATM or local law enforcement official; and (g) immediately report to us any loss, theft, disappearance or known or suspected unauthorized use of the Card or the PIN.

You authorize us to follow any instructions entered through use of a Card with or without a PIN. Because a Card and PIN can be used to access money in your business accounts and access information about such accounts, you and each Cardholder agree to treat each Card and PIN with the same degree of care and secrecy that you and each Cardholder use to protect other sensitive financial data, but not less than reasonable care. In particular, you and each Cardholder agree not to make any Card or PIN available to any other person.

Once a Card has been issued it cannot be transferred to another person. A Card is and shall remain our property and may be cancelled at any time without notice and must be surrendered or destroyed upon request. However, you shall be solely and completely responsible for the possession, use and control of each Card issued to a Cardholder, including, without limitation, the responsibility to retrieve and instruct us to terminate any Card issued to any person who, for any reason, ceases to be a Cardholder on any account to which he or she has access. You agree to immediately notify us when you terminate a Cardholder’s rights and to promptly return the Card to us.

Limitations on Services
We may terminate Card services at any time. We also reserve the right to limit the amount and/or frequency of withdrawals or transfers and we may change those limits and impose other limits or restrictions on your use of the Card.

Various Card features, services, and enhancements are provided by, or through, MasterCard International and we have no liability for those enhancements.

Termination and Amendments
• We may restrict or terminate your card privileges at any time without notice to you.
• You may terminate your card privileges at any time by sending written notice to us.

We may make amendments to this Agreement in the same method as provided in the terms and conditions provided in the 1st Source Bank Agreement for Deposit Accounts. Use of your Card after receipt of notice of an amendment constitutes your acceptance of the change.

Notices
Any notices mailed to you under this Agreement will be mailed to the address we have for you in our records. You will keep us notified of your current mailing address.

Our policy is to post and pay Card transactions in the order they are received. We reserve the right to pay Card transactions before checks and other items.

You can get a receipt at the time you make any transfer to or from your account(s) using an ATM or POS terminal.

Retain Copies for Your Records
You should retain copies of all records including receipts, credit slips (for returned merchandise), and cancellation numbers (for cancelled reservations). Limitations on Our Liability
We will not be liable for our inability to perform a transfer if:

• you have an overdraft line and the transfer would cause you to exceed your credit limit
• an ATM does not have sufficient cash
• a terminal or system is not working properly

• your Card or account has been cancelled

We shall have no liability to you other than those imposed upon us by law for our own lack of good faith or failure to act in accordance with the reasonable commercial standards of the banking business. Reasonable care in the handling of items of deposit shall be measured by the standard of the reasonableness of the banking procedures established for the transaction involved. A mere inadvertence or an honest mistake of judgment will not constitute a failure to perform such obligations or a failure to exercise reasonable care, and in no case will be deemed wrongful. We shall not be liable for consequential, indirect, or special damages even if we have been advised of the possibility of them.

Unauthorized Transfers
Additional Risk Associated with Use of Business Purpose Cards
You will not have the benefit of any consumer law limiting liability with respect to the unauthorized use of your Card. This means your liability for the unauthorized use of your Card could be greater than the liability in a consumer debit card transaction. You accept and agree to undertake the additional risk and greater measure of liability associated with the use of business purpose cards as described in this Agreement.

Your Liability for Unauthorized Transfers
You are liable for Card transactions you do not authorize if we can prove that we processed the transaction in good faith and in compliance with a commercially reasonable security procedure to which we both agreed, unless otherwise required by law.
Tell us AT ONCE if you believe your Card and/or PIN has been lost or stolen. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If your Card and/or PIN is lost, stolen, or used without your permission, you agree to notify us immediately and to promptly confirm such notice in writing. Your liability for transactions with your Card and/or PIN will continue until two (2) business days after the day we receive such written notice. If you do not notify us within sixty (60) days from when the periodic statement containing an unauthorized transaction was first mailed or made available to you, we will be entitled to treat the information in the periodic statement as correct, and you will be precluded from asserting otherwise.

If you do not report within sixty (60) days, we will be entitled to treat such information as correct and you will be precluded from asserting otherwise. You further agree that if you fail to report to us any errors or problems within thirty (30) days from when the statement was first mailed or made available to you that we will not be required to pay interest on any refund to which you may be entitled.
