## Other Account Fees & Services

Fee Category	Fee Name/Description	Fee Amount
<b>Debit &amp; ATM Card (Resource Plus® and Resource® Card)</b>	<i>Replacement Fee</i> We may charge a replacement fee for each card issued after the third card in a 12-month period.	\$5 per card
	<i>Mastercard Cross Border Fee / Service Charge Debit Fee</i>	Cross Border Fee - 0.9% of the U.S. dollar amount of the transaction
	<i>Mastercard CCA (Currency Conversion Assessment) Fee</i> If you make a purchase outside the United States or its territories in a foreign currency, you may see a Currency Conversion Assessment (CCA) and a Cross Border fee. If you make a purchase outside the United States or its territories in U.S. currency, you may see only a Service Charge Debit Fee.	Currency Conversion Assessment (CCA) - 0.2% of the U.S. dollar amount of the transaction
<b>ATM Fees</b> 1st Source Bank ATM: an ATM that displays the 1st Source name on the ATM.  Non-1st Source ATM: an ATM that does not display the 1st Source name on the ATM.	<i>ATM Transaction Fee</i> Charged for withdrawals, transfers and balance inquiries at a non-1st Source ATM.	\$2.50 per transaction + fee(s) charged by ATM operator/network

Other Important Information About This Fee
The replacement fee does not apply when we replace a card upon its expiration and/or due to identity theft.
For ATM transactions, these fees are in addition to the ATM Transaction Fee.  Please call us before travelling internationally for assurance your transactions will be permitted. Your financial wellness is important to us and transactions out of your normal pattern may be restricted for security reasons without prior notification.
There are no fees for withdrawals, deposits, transfers, and balance inquiries for your 1st Source account when using a 1st Source ATM. Deposits may not be available at some ATMs.  When you use a non-1st Source Bank ATM, you may be charged a fee by the ATM operator or any network used, and you may be charged a fee for a balance inquiry even if you do not complete a funds transfer. An ATM operator may charge you multiple fees for multiple transactions. For example, you could be charged a balance inquiry fee and an additional fee for a withdrawal during the same ATM session.  After the eligible account is open 90 days, the Bank will reimburse the fees we charge for the use of a non-1st Source ATM up to four (4) times for each 12 month period the account is open for <b>Easy Banking Club, Portfolio Checking, High Yield and Cubs 1st Club Checking accounts</b> . This fee will be refunded within one business day and will appear on your account statement as "Refund Non-1st Source ATM." Fees charged by the ATM operator or any network are not eligible for reimbursement.  For <b>e-Student Checking</b> clients, after the account is open 90 days, the Bank will reimburse the fees charged by us and the ATM operator/network for the use of a non-1st Source ATM up to three (3) times or \$15, whichever comes first, per statement cycle. These fees will be refunded within one business day and will appear on your account statement as "Refund Non-1st Source ATM" (our fee) and "Non-1st Source ATM Rebate" (operator/network fee).

Other Account Fees & Services (*continued*)

Fee Category	Fee Name/Description	Fee Amount
Overdraft	<i>OTS Fee</i> Overdraft Transfer Service (OTS) Fee for a transfer from a linked 1st Source savings account.	\$3 fee per day that a transfer occurs
	<i>Participation Fee</i> Annual fee for a Carefree Line of Credit linked to a checking account for overdraft protection. Fee is assessed to your checking account on the anniversary of the Carefree agreement.	\$24 annual fee
	<i>Overdraft Item Fee</i> Fee charged for any overdraft item that causes your account to be overdrawn by \$3 or more.	\$36 per item Maximum of 6 fees per day
	<i>Daily Overdraft Fee</i> A fee for each day the account remains overdrawn starting on the seventh (7th) consecutive business day of the overdraft.	\$7 per day

Other Important Information About This Fee
Overdraft Transfer Service is an optional service that allows automatic transfer of available funds from a savings account to a checking account to cover an overdraft. Funds are transferred once per day in \$50.00 increments to cover the overdrawn amount including the fee. If the savings account does not have an available balance sufficient to cover the overdrawn amount, including the fee, the balance of the savings account will transfer to cover as many items as possible. If the savings account does not have an available balance sufficient to cover any overdraft items and the fee, no transfer will take place.
A Carefree Line of Credit is an optional credit product that offers you protection from checking account overdrafts and associated fees by advancing funds from the line of credit to your checking account. Subject to credit approval. See your banker for details.
When the available balance in your account is insufficient to cover an item, we may either authorize and pay the item and overdraw the account (an overdraft item) on all transaction types if you have opted in to the overdraft choice service or return the item unpaid (a returned item). If we return the item, a Non-Sufficient Funds Fee may be charged.
We won't charge you an overdraft fee for an overdraft caused by one-time debit card and ATM transactions unless you opt in to our Overdraft Choice service (not available for e-Student Checking). For more information on this service, visit any one of our banking centers or call the 1st Source Customer Service Center at 800-513-2360. We generally decline everyday debit and ATM transactions that would cause an overdraft unless you opt in to this service.  You may be charged overdraft fees for overdrafts caused by other types of transactions, including checks and other transactions made using your checking account number and automatic bill payments unless you have opted out of all overdraft choices completely. Then your items will be returned unpaid and a non-sufficient funds fee charged.

Other Account Fees & Services (continued)

Fee Category	Fee Name/Description	Fee Amount
<i>Overdraft continued</i>	<i>Non-Sufficient Funds Fee (NSF Fee)</i> Fee for a returned item; occurs when an item is returned to payee when the available balance in an account is insufficient to cover a given transaction.	\$36 per item
<b>Wire Fees</b>	<i>Incoming Wire Fee</i> Fee for incoming wires.	Incoming \$15
	<i>Outgoing Domestic Wire Fee</i> Fee for outgoing domestic wires.	Outgoing Domestic \$20
	<i>Outgoing International Wire Fee</i> Fee for outgoing international wires.	Outgoing International \$40
<b>Miscellaneous</b>	<i>Stop Payment Fee</i>	\$36 per item

Other Important Information About This Fee
<p>We charge an NSF Fee when we return or reject items presented or submitted against your account that would exceed your available balance. You understand and agree an item you have authorized (including, but not limited to, a check or ACH) may be presented one or more times; thus, incurring a non-sufficient fund fee for each presentment.</p> <p>Note: We do not determine whether or when an item or transaction is presented or submitted for payment. Rather, we determine whether or not your account balance is sufficient to pay a presented or submitted item or transaction.</p> <p>As an example, if you wrote a check to a merchant (or other third party) who submitted the check to us for payment and we returned the check, you would be charged an NSF Fee. If the merchant re-presented the check for payment again (or converted the check into an ACH and submitted the item for payment), we would make an additional determination of whether the account balance was sufficient. If it is not, you would be charged an NSF Fee. This means you could be charged multiple NSF fees due to the check (and, possibly, the electronically converted check) being presented and returned multiple times.</p> <p>Additionally, as another example, if you authorize a merchant (or other third party) to electronically debit your account, such as an ACH debit, the merchant submits the electronic debit to us for payment. If the transaction exceeds the available balance, the debit will be rejected, and you will be charged an NSF Fee. The merchant may re-submit the electronic debit to us for payment. If this occurs, we would make an additional determination of whether the available balance was sufficient and, if not, you would be charged an NSF Fee for this additional rejected transaction.</p>
<p>For outgoing international wire transfers, other financial institutions involved in the wire transfer may also charge fees and deduct their fees from the amount of the wire transfer.</p>
<p>Stop payment orders are effective for six (6) months except for preauthorized electronic funds transfer stop payment orders, which are effective until you notify us otherwise. Additionally, if you inform us orally to stop payment the order may be removed after fourteen (14) days if we request written confirmation of the stop payment order and you do not provide such written confirmation by the end of the fourteen (14) day period.</p> <p>If you request that we stop payment on a recurring debit card transaction, we will close your card and issue you a new one. You may be charged the <i>Replacement Fee</i> disclosed above.</p> <p>We will not stop payments on treasurer's checks or one-time debit card transactions.</p>

Other Account Fees & Services (*continued*)
